

ST EDMUND'S SCHOOL

CANTERBURY

FOOTBALL UNDER 11 A TEAM

This talented squad of players, who when at their best were a match for all the teams they played, and ended the season in a strong mid-table position in the Molten League with 3 wins and 2 draws in 8 games played. It was a shame that they lacked a little in consistency but there were some excellent performances prompted by the team captain, Robert Scholer. It took a while to find a goalkeeper and in the end Josh Robinson volunteered and he put in some really good performances. On the right side of the midfield attack Alex Morrissey – who showed good skill and determination for much of the season. In defence, Morgan Abbott also showed strength and determination and he enjoyed the opportunity to attack. Ben Holcroft was also solid in defence always giving maximum effort. Thomas Auston and Niyam Patel both made good progress and showed great potential as forwards or attacking midfielders.

Elsewhere amongst the age group, there was some promising potential in the form of Brandon Elms and Oscar De Varennes. It was fantastic to see every single boy from Forms 3 to 6 represent St Edmund's in a competitive fixture against another school at least twice in the term.

Well done all!

Mr Ed Southey & Mr Adam Southey
