CANTERBURY

JUNIOR SCHOOL SPORT 2021-2022

The PE Department said a sad farewell to Mrs Relf and Mr Penn after many years of outstanding service to sport in the Junior School. Mrs McCabe and Mrs Chenu stepped in as we prepared ourselves for the year ahead.

With COVID restrictions lifted, sport was up and running as per usual. A full card of fixtures and sporting activities for the year ahead, was a welcome relief for all. Both boys and girls contributed to a very competitive and enjoyable year of sporting competition, both in house and against other schools.

It was fantastic to have parents back supporting their children and they were well entertained with numerous inter school matches, tournaments and the inter house competitions. It was a welcome relief to get back to a sense of normality and particularly pleasing to see everyone enjoying their sport in a competitive environment.
