CANTERBURY

## U11 GIRLS' HOCKEY

The U11s have been busy learning new skills, applying them whilst representing the school on a weekly basis. The girls have enjoyed playing a variety of positions and by the end of the season they have naturally found their strengths on the pitch. All the girls in the year have represented the school and a notable mention should go to the B Team who were unbeatable with 9 wins and 1 draw.

With the last of the matches for the U11 Girls' Hockey out of the way, it has been extremely rewarding to glance over their results as a whole. We have had a total of 26 matches and one tournament. We have won 3/4 of those with all girls in the year playing at some point in the term. This was highlighted during the final week of term when we took them to play Spring Grove, where we had 2 wins and a draw. The minibus is always rocking to and fro from our matches, courtesy of Mr Brown-Lea's song requests. A fantastic ending to a very busy and enjoyable term.

All the girls should be proud of their achievements and especially the A team who managed wins over Junior King's, King's Rochester and St Lawrence College, who are usually our main challenging opposition. Grace Harvey and Audrey Taylor provided a formidable defence with Eliana Rogers-Bricout in goal. Aggie Hudson had most of the pitch covered in midfield. Clemmie Andrews, Alice Florence, Charlotte Elworthy and Emily Surridge, played up front, scoring goals when the opportunity arose. Though they have had a mixed bag of results – 7 wins, 4 losses; they have worked hard and had fun to boot. Well done to all.
