CANTERBURY

U11A GIRLS' NETBALL

The Girls' U11A netball team have had an extremely successful term winning all their matches bar one. The weather has played ball and all matches have gone ahead, which in itself is unusual at this time of year. We also played in the Wellesley House Tournament coming a very respectable 4th out of 11 teams. All the girls have been keen to represent the school and have worked hard to keep their place in the A team, as competition has been keen. Central court players included Aggie Hudson, Emily Surridge and Charlotte Elworthy, Alice Yeomans Attwood, Eliana Rogers-Bricout and Emma Do Carleton-Moody were a formidable force in defence, whilst Lexie Wilkinson and Audrey Taylor shot the goals!

This has been a very enjoyable and rewarding term for these girls. They have worked hard at improving their skills and techniques and always put 100% effort into all their matches.

Mrs Cathy McCabe
