

ST EDMUND'S SCHOOL

CANTERBURY

U13 B GIRLS' HOCKEY

The U13B Team had a mixed season of results. The opening game was a tight match which they lost 1-0 to King's School Rochester. The following week they pulled together and beat Wellesley 6-2. An away trip to Junior King's School proved to be very challenging, the team kept going to the final whistle, despite losing 5-0. Two close matches followed, a win against Duke of York's 1-0 and a defeat to Northbourne Park 1-0. They worked together fantastically well to beat Dover College 10-0 and again to come out on top at Duke of York's. They ended the season with a closely contested match against King's School Rochester ending in a draw.

The team are to be commended for their determination and enthusiasm, especially Dolly Parsons, Violet Vant and Angel Newman. Autumn Goodey played superbly in defence all season, her efforts were rewarded with a promotion to the A Team for the final two matches.
