

## U12/U13 Mixed Cricket 2022

Having not played a great deal of cricket in recent years, there was going to be some hard work needed from both boys and girls, to not only hone their skills, but also to brush up on their knowledge of the rules. For the vast majority of the schools in the area, cricket was replacing rounder's as the girls Summer sport. This meant that we were going to play a combination of mixed cricket as well as all girl's matches. With the season underway, progress was made quickly and teams were selected for a full calendar of fixtures.

Unfortunately, the first two games of the season were frustratingly abandoned due to inclement weather. Luckily the weather improved, and with the sun shining the boys and girls of St. Edmunds were able to put together some pleasing performances.

St. Edmunds was able to field as many as 4 U12/U13 teams during the season. The b,c and d teams enjoyed a mixed bag of results with an even spread of wins and losses. It was pleasing to see the improvement made during this time by all.

The U12/U13a team enjoyed a successful season with 5 wins, 1 loss and 2 matches abandoned, when in a very commanding position. Below is a breakdown of their season which includes results and stand out performances.

(1)St Eds v. JKS – JKS 29-3 (match abandoned)
